Our Program

Inner City Family Services, LLC is a Community Based organization that provide services in the community; in the Consumer’s home, school and other environments that are essential to clients growth and development. ICFS utilizes the latest and most effective family and community building tools in the field of behavioral health, social and community services.

Consumer And Family Driven Planning

Personalized Service Plans are developed and driven by consumer, parents, and other stakeholders. PSP include relevant goals, objectives and interventions based on the consumer’s identified strengths, needs, abilities, talents and family values.

Access To Services

Services are accessible 24 hours a day, seven days a week. Referrals for service(s) can be completed via fax, phone, or by accessing our website at www.innercityfamilyservices.com. Referrals submitted for routine and/or emergent care will be screened and processed within 48 hours of receipt. Consumers and families experiencing a behavioral health crisis will be screened and processed within 2 hours.
